Company divisions

1) Full Service

Planning and implementation of events, for example: corporate events, public events, conferences, road shows, galas, congresses etc. as well as trade fair presence / trade fair stand organisation – all tailor-made to your individual needs, to any extent – worldwide.

2) Theatre, music theatre, dance performances and shows

Individual according to your own requirements and developed in-house on our own stages / studios; unique productions (not already existing productions), all languages – can also be used as individual programme / agenda points.

3) Exhibitions, museums, showrooms

Conception and artistic realisation; operational planning and control; exhibition events, accompanying measures and events; design and technical fittings, fixed installations.

4) Multi-media shows

Using the latest laser technology and projection technology, we produce shows which are truly unique, particularly in the area of interactive representation with actors/dancers and virtual reality shows.

5) Film

Production of company films, advertising films, product films, event documentation (recordings, high light documentary, trailers etc).

6) Music

From the company song to a musical written especially for you!

7) Incentives

Planning and realisation of incentive travel (worldwide) according to your own personal requirements with suitable programme.

8) Premium system/competitions

Company specific concepts, customer loyalty measures, evaluation systems, competitions, motivation events, and sales competitions.

Special features

Müller & Friends is a communications agency which develops and realises tailor-made, individual solutions for its clients in the areas specified.

Our individual in-house productions in the areas of show / multi-media / laser shows / interactive (laser) shows / theatre / film, take place in our own rehearsal rooms / studios in Mannheim.
